A MESSAGE WITHOUT WORDS

BY PASTOR PAUL

We live in a world today, which tries to say too much with too little. Consequently, few listen. Sometimes the best conversations are the ones left unspoken.

A member of a certain church, who previously had been attending services regularly, suddenly stopped coming to church. After a few weeks, the pastor decided to visit. The pastor found the man at home alone, sitting before a blazing fireplace. Guessing the reason for his pastor's visit, the man welcomed him, led him to a comfortable chair near the fireplace and waited.

The pastor made himself at home but said nothing. In the awkward silence, he contemplated the dance of the flames around the burning logs. After some minutes, the pastor took the fire tongs, carefully picked up a brightly burning ember and placed it to one side of the fireplace all alone. Then he sat back in his chair..... still silent. The host watched all this in quiet contemplation. As the one lone embers' flame flickered and diminished, there was a momentary glow and then its fire was no more. Soon it was cold and lifeless.

The pastor glanced at his watch and realized it was time to leave. He slowly stood up, picked up the cold, dead ember and placed it back in the middle of the fire!

Immediately it began to glow, once more with the light and the warmth of the burning coals around it. As the pastor reached the door to leave, his host said with a lump in his throat, "Thank you so much for your visit and especially for the fiery message. I will be back with the family this Sunday."

Jesus once said, "Let your light shine before men in such a way that they may see your good works and glorify your Father who is in heaven." *Matt. 5:16* Working together we can be that light to our darkened world. This upcoming month we will have the opportunity to re-commit ourselves to be people who are following Jesus together. As always, our motivation for giving back to God results from His giving to us. He has given EVERYTHING to us and most importantly, new life in Jesus Christ. We are now blessed with the opportunity to respond to His love. And as we do, working together, we will be the ones who will be blessed as we put Jesus in the center of our lives, our church, and our relationships. Living the life that keeps Jesus in the center of everything. A life of passion for people. A life that is on fire for the Gospel. A life that reveals our great love for each other. Because, the truth of the matter is that we need each other to keep the flame burning.

BETHEL'S ANNUAL ALL CHURCH MEETING

Please plan to come to Bethel's All Church Meeting, which will be held on **Sun, Nov 24** from 9:30-10:45am in Bethel's Sanctuary. As the family of God here at Bethel, you are all invited to participate in this time where together we will ...

- ▶ Celebrate the wonderful things God has done in our midst over this last year
- ▶ Seek the Holy Spirit's leading for our next steps so that our neighbors and the next generation experience the life-changing love of Jesus
- ▶ Make decisions about Bethel's leadership team, the M+M Council, which provides direction for BELC and Bethel
- ▶ Pass a budget - so that we, as the body of Christ at Bethel, can be good stewards of our resources as we follow Jesus together in this place

You are very important to the body of Christ here at Bethel! You matter at Bethel and are warmly invited to be a part of this meeting - to know what is happening and be part of the direction that we are going in together. The more aligned we are as a family at Bethel on what God is calling us to in our context, the more we can be about following Jesus together!

The mission opportunity is not measured by the numbers needing to be reached. The mission opportunity going forward is measured by the number of baptized people of God disciplined and trained to lead into the mission.

SUNDAY SCHOOL KIDS COLLECT TOOTHBRUSHES

During November, Bethel's Sunday School kids will collect toothbrushes for the PADS hygiene kits they assemble in the spring. Our aim is to gather 50 toothbrushes for the hygiene kits for people at PADS.

PADS FIELD TRIP FOR SUNDAY SCHOOL KIDS

Parents and children are warmly invited to serve together at PADS alongside the Bethel team from 5-6pm on Mon, Nov 18 and Mon, Nov 25 at the First Congregational Church at 1047 Curtis Street in Downers Grove.

Come either Monday... or both Mondays... and help set up bedding (pads, sheets, pillows and blankets) and make lunches for the people at PADS who are dealing with homelessness. PADS adult guests do not arrive until after 6pm. Sunday School families, look for an email with information and an opportunity to RSVP.

Family Advent Night

Everyone is cordially invited to join Early Learning Center families on Fri, Dec 6 at 5:30pm in the West Basement for our Family Advent Night. Families and friends gather to make crafts, sing songs, share a delicious meal and join in a family devotion in the sanctuary. The evening delightfully concludes with a visit from a "jolly old elf." This evening of fellowship provides a wonderful opportunity to build relationships with our BELC families!

The BELC team would be blessed with your help serving at this event with crafts, kitchen, clean up and welcoming our preschool families. Please look for a sign-up sheet in the coming weeks.

PRESCHOOL OCTOBER WRAP UP

Autumn has arrived as the weather is crisp and the leaves are turning their lovely shades of red, gold, purple, and brown. The preschool children are becoming more comfortable with the daily classroom routines. Our unit on God's Creatures was a remarkable success as the children enjoyed learning about farm animals, jungle animals, pets and forest friends. We were lucky enough to have hands-on experience with Miss Karen of Karen's Nature Tales, Inc. who taught us about animal coverings and animal tongues! The children have begun to enjoy more self-expression through art, using new materials purchased with our fundraising monies. The October festivities culminated with our annual Pumpkin Patch Party, filled with fun costumes, treats, art activities, pumpkin-themed games and a visit to our pumpkin patch. During Jesus' Time, the children discovered how God used creatures to help Him in the Bible. Jonah and the Whale, Daniel in the lion's den and Noah's Ark provided our backdrop for learning.

Christmas Wish List

Throughout the year, Early Learning Center teachers make a special wish list of books, art materials or toys to have in their classrooms. Beginning Sun, Dec 1, wished-for items will be posted on the bulletin board in the West basement. If you would like to include a special and much appreciated gift to the preschool in your gift giving this year, please take "an ornament" from the tree, purchase the item and return it to Bethel Early Learning Center. Most of the items can be ordered online from Amazon Smile or purchased from local businesses. Thank you Bethel Family for your continued generous giving to our preschool. Thank you! Psalm 9:1 "I will give thanks to you, LORD, with all my heart; I will tell of all your wonderful deeds."

MYSTERY READER PROGRAM SUCCESS!!!

PRESCHOOL NOVEMBER THEMES

November is a rich time of learning about God's Garden at Harvest Time. We devote most of our curriculum time to reveal the gifts of autumn, Thanksgiving and sharing with others. We also focus on cultural diversity among people. All children will study apples and pumpkins, collect autumn leaves and hear stories about early Native Americans, the people who gave us the gift of corn, and the first Thanksgiving. They will also learn about nutrition, dental care and healthy eating habits. Children in the 3's class will study the classic book, The "Little Red Hen" illustrated by Lucinda McQueen. The Enrichment Class will dive into cooking and explore math concepts with measuring and following recipes. PreK 2 students will have a special opportunity to live like pilgrims throughout November in a dramatic Thanksgiving Social Studies unit.

BETHEL TEAMS WORK IN SHIFTS TO HOST PADS EVENTS IN NOVEMBER

Bethel hosts PADS three times a year and we have two hosting opportunities next month - Mon, Nov 18 from 5pm to Tues, Nov 19 at 6am and Mon, Nov 25 from 5pm to Tues, Nov 26 at 6am. People of all ages from Bethel work in shifts to serve our neighbors who deal with homelessness. There are jobs for everyone... some set-up bedding, others prep lunch, dinner and/or breakfast! Some serve food and clean-up, and the brave ones even stay for part of the overnight shift! No one works the entire shift, but together we cover all the needs. PADS is located at the First Congregational Church ~ 1047 Curtiss Street in Downers Grove. Talk to Sandy Smith to be a part of the team. Shift sign-ups are at the back of the sanctuary!

FEED MY STARVING CHILDREN

On Fri, Nov 8 from 6-7:30pm, a packing team from Bethel will head out to Feed My Starving Children (affectionately known as FMSC)! For years, Bethel teams have packed food to serve our neighbors around the world who deal with hunger on a daily basis.

It's a great opportunity for families to work together! It's a fun event to invite a friend to - especially someone who may be curious about God and being a part of something bigger!

Sign up for a packing spot at the back of the sanctuary or call Bethel's office at 630-968-3232. FMSC is located at 555 Exchange Ct in Aurora. After packing, gather with other packers from Bethel for dinner and time to hang out at a nearby Portillo's - 1992 W. Jefferson on Route 59 in Naperville.
